

### My Friend

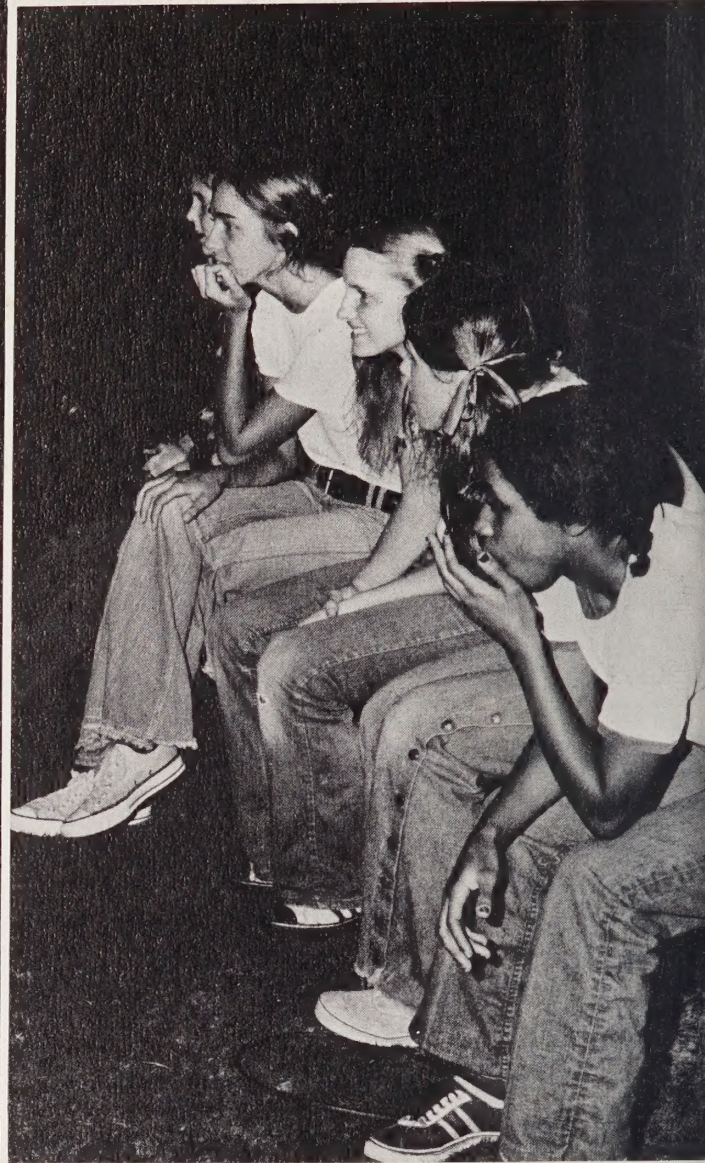

Because you are my friend, my heart contains  
A peacefulness I never knew before.  
I do not seem to mind life's blows and pains . . .  
They do not seem to hurt me any more.  
I do not feel as lonely nor as blue  
As once I did when days seemed without end,  
For now the hours are filled with thoughts of you,  
And I am glad, because you are my friend.

Because you are my friend, the whole world seems  
More beautiful than I had thought it was . . .  
Sometimes I cannot tell the real from dreams,  
Nor do I care because . . . well, just because.  
One thing I know, you seem to understand  
All of the faults I try so hard to mend;  
Nor have you failed as yet to lend a hand  
When needed most, because you are my friend.

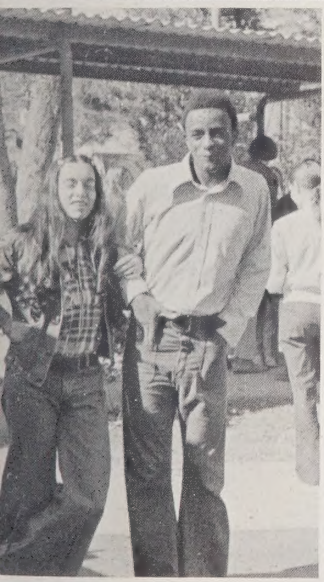

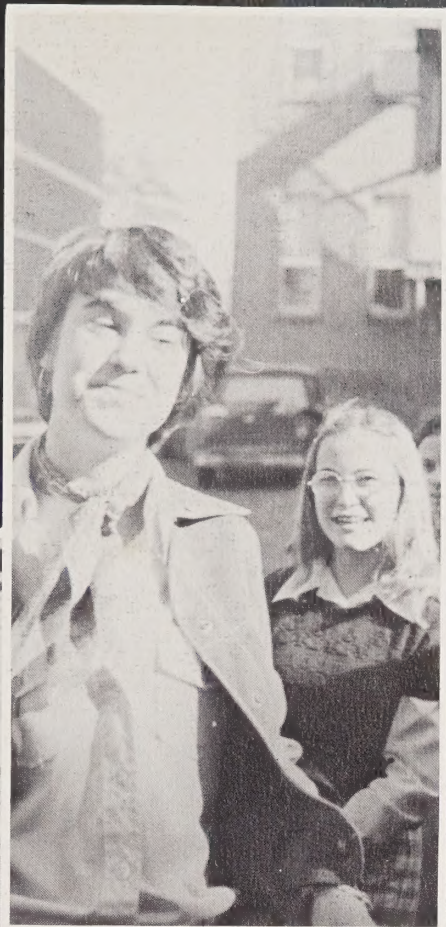

Because you are my friend, I feel I own  
A wealth that far excels all earthly things . . .  
The song of life that none should sing alone,  
The symphony of souls that friendship brings . . .  
And as I journey on life's winding road  
With someone true on whom I can depend,  
I walk with lighter feet and lesser load  
And happier heart, because you are my friend.

Because you are my friend, I know that I  
Have found a refuge from the storms of strife . . .  
And like a rainbow's trail across the sky,  
You color all the drabness in my life.  
The flowers you have strewn along the way  
Perfume my path wherever I may wend . . .  
I guess there's nothing else that I can say  
Except give thanks, because you are my friend.

# WHO'S WHO

"Who's Who" has as its purpose the giving of recognition to students for achievement, service to school and community, and full development and utilization of talent and ability. Faculty committees recommend a list of seniors for selection to Who's Who and the entire faculty votes for selection from a group proposed by the nominating committee. Ten percent of the senior class may be selected for Who's Who.

Did you ever long for the gentle touch  
of the hand of an old, old friend  
Or dream of the warm, familiar glow  
of the hours you used to spend?  
Did you ever walk where pathways led  
to places strange and new,  
While your heart remained with the thing behind,  
those things most dear to you?

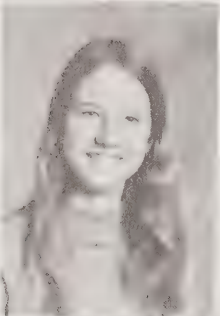

Though we revel in the wonder of  
a world that is prone to change  
And we feel a glow of expectancy  
who encounter the new and strange,  
Yet it is true these things become  
as life's bright summer ends,  
Increasingly dear in memory  
old times, old haunts, old friends

# Victory Ribbon Sales Winners

▲ Mrs. Croft's Junior Boys, 1st place winners

Mrs. Russell's Freshman Girls, 1st place winners ▼

The fast-paced competition between homerooms to sell the most victory ribbons really boosted spirit and helped the Laureate funds too. All week the students would save their nickels and dimes so that by Friday they could help their homeroom be No. 1 in sales. The winning homerooms were awarded a trophy and each member was given a free lunch from Hasty-Tasty. The Laureate Staff thanks these spirited homerooms for their outstanding support.

# "Voice of Democracy"

Mr. Orr's Advanced Composition and Public Speaking Class entered the annual V.F.W. "Voice of Democracy" Contest. The theme was "My Responsibilities as a Citizen."

The winners were Jerry Lytle, first place, Mimi Kishpaugh, second place, and Ginny Sisserson, third place. Congratulations to these orators.

### TO THE REUNION THURS. 7:30 p.m. OCT. 11 IN H.H.S. AUDITORIUM

The idea for a reunion was conceived and carried out by the Social Department of Student Council, under Mrs. Croft's direction. A review of the decades, done by Mr. Orr's Advanced Composition Class, and musical scores by our HHS band provided the program. Afterwards the classes separated by decades and went to their Reunion room for socializing and refreshments.

Marion Gilreath, head of Fire Department organized the annual Homecoming Parade. Each club decorated a car, then all formed a line and paraded down main street.

## Powderpuff Game '73

The Powderpuff Game showed some real daring football talent! (With the lovely cheerleaders how could you **not** do your best?) The girls had worked hard in practice with Pat Walters, coaching the Freshmen-Junior team and Rob Tolleson, coaching the Sophomore-Senior team. The Sophomore-Seniors, as usual, won the game. It was a grand slide victory: 32-14.

## Powderpuff "Beauties"

Once again we enjoyed the fun and antics of the Powderpuff Beauty Contest. The gorgeous "Romona" Peppers—Senior, was selected Queen with her court consisting of "Victoddia" Thompson—Senior, "Jane" Pearce—Junior, "Wilamina" Fletcher—Sophomore, and "Tina" Ryan—Freshman.

## WHERE DO JOBS COME FROM?

A first-class fortune teller, very likely couldn't answer that question for you — *how are jobs created?* — as you go out into the world to seek *your fortune*. It's a subject fit for an entire course in economics.

But whether you'll be looking for a new job after school this year . . . or later, after additional education and training . . . we'd submit to you that basically, new jobs come from *profits!*\*

The economist Peter Drucker, writing in *Readers Digest* has put it plainly:

"If we hope to succeed in creating new jobs for young people during the years just ahead, the country will have to find a great deal of new capital somewhere. This is particularly true of the jobs we will need the most — jobs for highly educated people . . . . The greater the skill or knowledge demanded by a job, the greater the capital investment needed to make it possible."

Make sense? Everyone knows that a computer operator can't work without a computer. And sophisticated computers can cost from hundreds of thousands of dollars to millions of dollars! By the same token, a doctor can't function effectively without a substantial investment in a nearby hospital . . . not to mention the costly equipment in his own office and in the labs on which he depends.

As Peter Drucker sums it up: we cannot hope to get new capital — the money that jobs are made from — by drawing on fat in the economy, or by "reducing excess profits\*" as some suggest. "New capital" — to create and sustain jobs — "can come from only two sources: savings and profit."

\*in the case of General Electric, profits average just about five cents on each sales dollar.

## How to Tell a Friend From an Acquaintance

This questionnaire is designed to reveal your true friends to you. Think of everyone you know who might qualify. Then simply substitute their names—one at a time—for "x". Scoring one point whenever you're able to answer a question with Yes, you can figure a total of 18 or more indicates genuine friendship. We'd be interested to know how rare it is in your life.

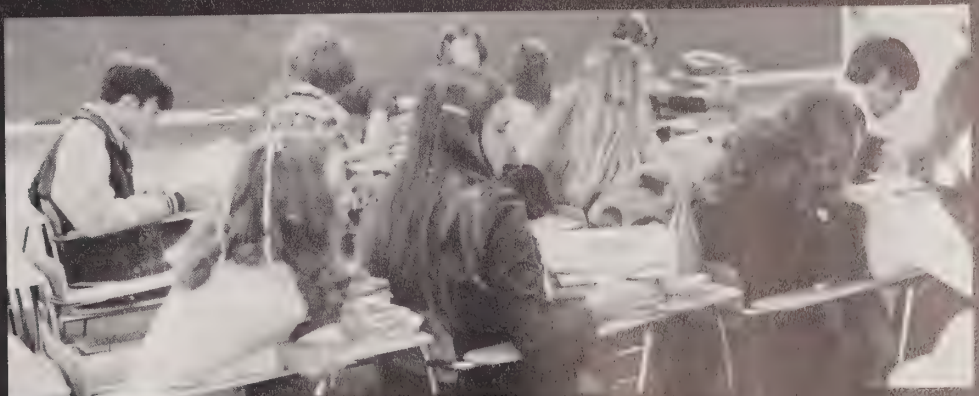

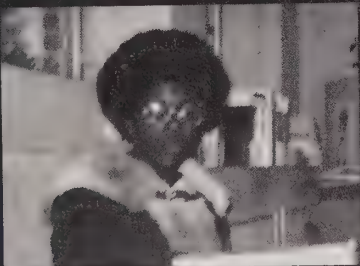

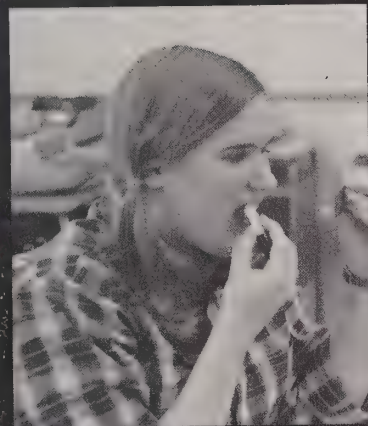

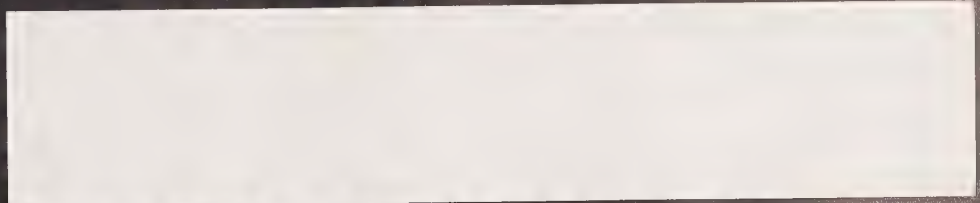

- |  | Yes                      | No                       |
|--|--------------------------|--------------------------|
| 1. Do you know x's telephone number?   | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. If you've been out of touch for several months, can you meet x without awkwardness?   | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. Do you know x's favorite color?   | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. Have you ever done anything nice for x without telling him (her) about it?  | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. Has a third party ever regaled you with the admiring stories x tells about you when you're not present?                         | <input type="checkbox"/> | <input type="checkbox"/> |
| 6. When x can't decide what to drink does he (she) ask you to pick?  | <input type="checkbox"/> | <input type="checkbox"/> |
| 7. Can you list the dishes on x's ideal menus?   | <input type="checkbox"/> | <input type="checkbox"/> |
| 8. Would you trust x with your girlfriend (boyfriend)?   | <input type="checkbox"/> | <input type="checkbox"/> |
| 9. Can you express angry feelings about each other to each other?  | <input type="checkbox"/> | <input type="checkbox"/> |
| 10. Can x make demands on you and vice-versa? (What happens if you call x up at 3 a.m.?)   | <input type="checkbox"/> | <input type="checkbox"/> |
| 11. Has x ever done anything nice for you even though he (she) stood to suffer for it?   | <input type="checkbox"/> | <input type="checkbox"/> |
| 12. If you have a bad back, does x ask you to be careful not to hurt yourself when you are playing tennis?                         | <input type="checkbox"/> | <input type="checkbox"/> |
| 13. Can you borrow x's car?  | <input type="checkbox"/> | <input type="checkbox"/> |
| 14. When describing a particularly attractive number of the opposite sex to you does x say, "I know she'd (he'd) really like you"? | <input type="checkbox"/> | <input type="checkbox"/> |
| 15. Does x remember your birthday?   | <input type="checkbox"/> | <input type="checkbox"/> |
| 16. Has x ever bought you an item of clothing just because he (she) thought you'd look great in it?                                | <input type="checkbox"/> | <input type="checkbox"/> |
| 17. If x doesn't return your telephone calls, do you feel worried rather than insulted?  | <input type="checkbox"/> | <input type="checkbox"/> |
| 18. Do you know what kind of music x likes best? Dislikes most?  | <input type="checkbox"/> | <input type="checkbox"/> |
| 19. Can you tell x No?   | <input type="checkbox"/> | <input type="checkbox"/> |
| 20. Would you give x one of your kidneys?  | <input type="checkbox"/> | <input type="checkbox"/> |
| 21. Are you aware of the problems now on x's mind?   | <input type="checkbox"/> | <input type="checkbox"/> |

The 1974 **Laureate** Staff would like to thank both Buddy Chapman from the Times-News and the Travel and Promotion Division of North Carolina for making this yearbook possible. We hope that you have seen Hendersonville High as we did, a place in which to learn while making close and lasting friends. For nothing can be as wonderful as a true and loyal friend, especially one found at HHS.
